

Spend four weeks at Nanjing University
and earn a Waterloo credit.

Live and learn in China

this summer with Sino-Canadian College,
a Nanjing-Waterloo joint program

Experience Chinese language, culture and current affairs at Nanjing University's new international campus. You'll be introduced to Chinese history, economy, environment, art and language. And you'll have the rare opportunity to visit the cities of Shanghai, Xi'an and Beijing, as well as local Nanjing historical sites, businesses and households.

Who can apply

> any undergraduate student in any year

Details and how to apply

> apply by March 2011 via the Sino-Canadian College website
